## Constellar Celebrates Event Excellence At Singapore Tourism Awards

*Constellar wins Outstanding Event Organiser for Industrial Transformation ASIA-PACIFIC 2021 at the Singapore Tourism Awards 2022 on 24 May 2022*

**Singapore, 25 May 2022** – Constellar celebrated a year of outstanding achievements at the 2022 Singapore Tourism Awards in the categories of Outstanding Event Organiser for Industrial Transformation ASIA-PACIFIC 2021 (Recipient), Outstanding Event Venue Experience for managed MICE venue Singapore EXPO (Finalist) and Outstanding Business Event for Singapore FinTech Festival (Finalist).

Constellar organised the largest in-person exhibition for the fourth edition of Industrial Transformation ASIA-PACIFIC (ITAP) 2021 at Singapore EXPO in November, which followed the sixth edition of the Singapore FinTech Festival with 60,000 global attendees - representing a 33% year-on-year growth. At the time of organisation, ITAP 2021 was also a pilot event of the Vaccinated-Differentiated Safe Management Measures + Test (VDS + Test) protocol, providing a model for safe in-person engagement.

Singapore EXPO, the largest purpose-built MICE facility in the country, also adapted swiftly to serve a larger constellation of communities, strengthening the venue's infrastructure to offer digitally enabled event experiences and an expanded range of lifestyle and F&B offerings as a one-stop venue and community hub.
